

# Safety Briefing

StreetWork 12+12 by Revolve24  
Sydney Motorsport Park 29 October 2022

**SAFETY** is our primary concern over the course of the event.

All riders must take **PERSONAL RESPONSIBILITY** for their part in making the event safe for all participants.

Any riding that puts other participants **AT RISK** will not be tolerated.

Riders receive personal accident and public liability **INSURANCE** via AusCycling.

## SAFETY BRIEFING

- It is compulsory to attend the safety briefing.

## TRACK ACCESS

- Permitted when timing chip is fixed to your bike and your numbered bib is fixed to your jersey.

## PENALTIES

- May be imposed for dangerous riding at the discretion of the Ride Director.

## ON THE CIRCUIT

- Give other riders space.
- Pass and be passed safely - no 'under-taking'.
- Ride within your ability:
  - as the circuit includes several high-speed corners.
  - where the Druitt and Gardner Circuits split and rejoin.
- Weather can be changeable, adjust your riding accordingly.
- Ability of participants may vary, please ride accordingly.
- Do not ride erratically - unnecessary braking or direction changes can be dangerous.

## ON THE CIRCUIT contd...

- No short cuts – ride anticlockwise, in the circuit direction.  
Do not cross cone lines.
- Obstacles – if you encounter any, on the track or in the service lane to the Access Point, stop, dismount and inform event staff

## OTHER DEVICES

- Securely fixed, on-board cameras are permitted.
- Rider radios and other communications devices are not permitted.
- Earphones are not permitted.

## WARNING FLAGS DURING THE EVENT

- **WAVED YELLOW FLAGS** - riders should continue to circulate slowly and safely around the circuit.
- **WAVED RED FLAGS** - indicate that the event has been stopped. Riders should continue slowly back to the track Access Point and await further instructions.

## LEAVING THE CIRCUIT

- If you need to leave the circuit for any reason (event completed, mechanical issue etc.), then go to the track Access Point at the end of the grandstand. This point will be marshalled throughout.
- Do not stop mid-circuit in the path of any oncoming riders.

## MEDICAL FACILITIES

- In case of an on-track incident the ambulance and paramedics will be stationed at the track Access Point.

Thank you for your attention, enjoy the event.

Any queries, please just ask a member of the team.
